and

„Customer of the Parookaville online store“

Hereinafter referred to as „Lessee“

§ 1 Rental object

The rental takes place for the period from **15.07.2026** to **20.07.2026 Monday 10 AM**.

§ 2 Intended use

The renter uses the rental property exclusively for the following private purpose:

Own power supply of private items on the campsite area of the festival specified in the booking confirmation.

The rented object may, unless otherwise expressly agreed in writing, be used by the renter exclusively for the designated purpose. The use and operation must be carried out in accordance with the legal regulations. The lessee is liable for

damages, sanctions, fines or other impairments incurred by the lessor due to improper or unlawful use of the rented item.

§ 3 Rent

The rent is a one-time fee of 139,- €. This includes the statutory sales tax in the amount of € 22.19. A further recharge within the agreed rental period is free of charge. In addition, the renewed presentation of a valid photo ID is required. Recharging takes place at the stand of the rental company.

The rental fee is payable in advance.

§ 4 Duties of the tenant

- (1) For identification purposes, the Lessee shall present a valid official photo ID to the Lessor prior to handing over the leased property.
- (2) The lessor may require the deposit of an appropriate pledge with him (e.g. drivers license, health insurance card) as security/deposit for the duration of the rental period.
- (3) The Lessee undertakes to handle the leased property with care, in particular to observe the instructions for the proper use of the leased property (instructions for use, warnings, etc.), insofar as these are provided by the Lessor, and to use the leased property only in accordance therewith. In the event of any ambiguities, he must obtain information from the lessor on the proper use of the rental object before commissioning or using it.
- (4) The Lessee shall be liable to the Lessor for damage to the leased property culpably caused by a breach of the duties of care and diligence incumbent upon him. The following fees are due for defective equipment:

The lessee shall notify the lessor immediately of any defect in the leased property. If the lessee fails to notify the lessor, the lessee shall compensate the lessor for any resulting damage. Insofar as the lessor cannot remedy the defect for this reason, the lessor shall not be liable for any damage caused to the leased property or to other property as a result of the defect.

- (5) The Lessee is not authorized to charge the Powerstation itself.

- (6) At the end of the rental period, the Lessee is obliged to return the rental object to the Lessor in the condition in which it was received from the Lessor. If the Lessee does not return the rental object in time, the Lessor may demand the rent as compensation for the duration of the withholding, which would have been payable for the additional period in accordance with the price calculation in § 3. The assertion of further damages remains unaffected by this.

§ 5 Duties of the Lessor

- (1) The Lessor undertakes to provide the Lessee with the leased property for unrestricted use for the above-mentioned period in a condition suitable for use in accordance with the contract. He assures that he is authorized to rent the leased property.

I. General Terms and Conditions and Customer Information

1. contractual basis

a) These General Terms and Conditions regulate the contractual relationship between Plug-in Festivals GmbH, Industriestrasse 21, 82194 Gröbenzell, info@pluginfestivals.de (hereinafter referred to as the "Lessor") and the customer in the case of rentals via the online store www.mieten.pluginfestivals.de for the goods and services posted by the Lessor.

Customers within the meaning of these provisions are both consumers (any natural person who enters into a legal transaction for purposes that can be attributed predominantly neither to their commercial nor independent professional activity) and entrepreneurs (any natural or legal person or a partnership with legal capacity that acts in the exercise of its commercial or independent professional activity when concluding a legal transaction).

The Agreement consists of the provision of a portable charger (hereinafter "the Product") by Plug-in Festivals to the Customer upon receipt of payment from the Customer to Plug-in Festivals. The Product is designed to power all of the Customer's loads (up to a maximum of 500 watts output line) and may only be used for this purpose. When the battery of the product is empty, the customer can exchange it for a fully charged product. The exchange will take place at the Plug-in Festivals booth at the festival. Plug-in Festivals' recharging service (hereinafter "the Service") includes the initial delivery of the Product to the Customer and all subsequent Product exchanges. The Service is provided for the duration of the Festival, while the Customer may change the Product on a daily basis without limitation.

b) The General Terms and Conditions in the version valid at the time of the conclusion of the contract shall apply to all contracts for the supply of goods and contracts for the provision of services concluded exclusively by means of distance communication.

Deviating General Terms and Conditions of the customer shall only apply if their inclusion has been expressly agreed. An agreement cannot already be seen in the fact that the lessor provides the agreed service in the knowledge of any customer GTC. This also applies if the lessor has not expressly objected to the validity of the customer's GTC upon delivery.

c) The contractual language is German. The law of the Federal Republic of Germany shall apply to the exclusion of the UN Convention on Contracts for the International Sale of Goods.

In relation to a consumer, this choice of law applies only insofar as it does not deprive him of the protection granted by those mandatory provisions of the country in which the consumer has his habitual residence.

2. offer, conclusion of the contract, correction options, contract text storage

a) The product description on the online shop pages of the lessor represent non-binding offers to place an order.

After the customer has gone through the order process, the rental contract is concluded after receipt of the customer's binding order by transmission of the contract confirmation by the lessor (e.g. by telephone, fax, e-mail or letter).

The initially sent automatic confirmation of receipt of the order does not constitute acceptance of the contract offer, but merely confirms receipt of the order. If the contract

offer is not accepted within 2 days, it shall be deemed rejected and the customer shall no longer be bound by it.

b) To submit the binding order of the customer via the online shopping cart system of the lessor, the customer places the selected item(s) in the virtual "shopping cart" by clicking the button "Add to cart". The customer can open this shopping cart at any time by clicking on the button with the same name or the shopping cart icon on the upper right-hand side of the page and make changes. After the customer has placed the desired items in the "shopping cart", the customer is taken via the shopping cart by clicking on the "Checkout" button first to enter the personal data or to the login area, if the customer has already set up an account with the lessor. Subsequently, the customer is taken to the order overview page by selecting the payment method and the shipping method. Here the customer can check all order data again and, if necessary, make changes or adjustments (for example, by clicking on the link "edit" or by using the "back" function of the Internet browser) or cancel the order (for example, by closing the browser window). Furthermore, the rental agreement must be accepted by placing a "check mark". Only after clicking the button "order with obligation to pay" the order process is completed.

c) PayPal

If the customer decides to use the payment method "PayPal", the contract between the customer and the lessor is concluded immediately with the confirmation of the button "order with obligation to pay" in deviation to point 2.a).

At the end of the order process, the input mask of PayPal appears in which the customer enters his e-mail address stored at PayPal and his PayPal password. With confirmation of the payment by the customer, the rental price due to the concluded rental contract for the products selected by the customer, including any shipping costs, will be credited directly to the account of the lessor. The provision takes place on the date specified in the order confirmation.

d) Note on contract text storage

The data of the customer's order and the text of the contract are not stored by the lessor in a form that can be subsequently accessed by the customer. In the event that the customer wishes to document his order data, the customer can copy, print or otherwise store them before submitting the binding order.

However, the lessor shall send the customer a confirmation of the contract at the latest upon delivery of the goods or before the start of the performance of the service, in which the content of the contract is reflected.

3 Cancellation / withdrawal from the contract

In addition to the statutory right of cancellation, which is not limited hereby, the lessor grants the customer the following right of cancellation before the start of the event:

a) Cancellations are generally possible at any time.

b) In the case of cancellations up to 7 calendar days before the start of the event, 100% of the invoiced amount will be refunded if this has already been received on the lessor's account.

c) If a cancellation is made 6 calendar days or less before the start of the event, a refund of 50% of the invoiced amount will be made if this has already been received on the lessor's account.

d) Weather reasons explicitly do not justify a free cancellation by the renter if the booking is cancelled less than 6 calendar days before the requested period.

e) In the event of cancellation by the organizer before the start of the event, 100% of the rental amount will be refunded to the lessee.

f) In the event of cancellation of the event after (partial) performance by the Lessor, the Lessee shall be refunded 50 % of the rental amount.

4 Payment, provision of rental object

a) Unless otherwise agreed, the provision of an ordered item shall be made exclusively against advance payment (i.e. by bank transfer) or against Paypal payment, at the start of the event agreed upon during the ordering process.

If the customer and the lessor have not agreed otherwise, payment in advance is due immediately after conclusion of the contract.

b) The rental object will be made available at the beginning of the event of the respective festival, unless a collection date deviating from this is expressly stated or another collection date has been expressly agreed.

c) If the customer chooses the option of payment via PayPal, the payment processing will be carried out by PayPal (Europe) S.à.r.l. et Cie, S.C.A., 22-24 Boulevard Royal, L-2449 Luxembourg. The terms of use of PayPal (Europe) S.à.r.l. et Cie, S.C.A. apply, which the customer with an account at PayPal (Europe) S.à.r.l. et Cie, S.C.A. can view here <https://www.paypal.com/de/webapps/mpp/ua/useragreement-full>; if the customer does not have a corresponding account, the terms of use "Conditions for payments without a PayPal account" apply, which the customer can view at the following internet address <https://www.paypal.com/de/webapps/mpp/ua/privacywax-full>.

5. prices and shipping costs

All prices are quoted in euros (€) and include the statutory value added tax, as well as other price components and any other applicable taxes and duties (total price / final price). The prices apply exclusively to orders placed via our online store.

6. warranty

The customer is entitled to the legal warranty rights (§§ 536, 536 a BGB).

7. duties of the customer

The customer has to make sure that the email address deposited by him with the lessor is correct. Furthermore, the customer must ensure that he can receive emails under the deposited address and that this is not prevented by a SPAM filter in particular, in order to

ensure access to the information that is partly transmitted automatically by email and that is necessary for the conclusion of the contract.

8. information on online dispute resolution

Since February 15, 2016, the EU Commission has provided an internet platform for online dispute resolution (so-called "ODR platform"). The ODR platform is intended to serve as a central contact point for consumers and entrepreneurs to settle disputes arising in the context of online legal transactions out of court.
